**Community Opportunity**  
**Tuesday, February 2 at 6:30 p.m.**

We are opening up Journey Church to the Franklin community on the first Tuesday of February for theft and scam prevention training. Nick Behymer of the Warren County sheriff's office will be with us to share ways to keep safe at home or in public. We will discuss thefts, break-ins, personal safety, scam alerts and much more. Come and join us at 6:30 p.m. at Journey Church. Bring your family and friends. Everyone can use this information.

Our Poured Out Fund goes directly to meet the needs of people in our neighborhoods and world! We will be sharing what God has been up to already and giving an opportunity to make your pledge and join the movement of God's love changing the world in tangible ways! Our goal is \$5,000 for 2016. Please pray now about how God would have you share in our Poured Out Fund.

## Will you add to our "Why We Relay" book?

We want to put a face with a name.

Each day, 4,590 people are diagnosed with cancer. Some we know and many we don't know. But each incidence of cancer affects a life, a person with a face and a name. We are looking for people who have or have had cancer to contribute to a book that will put a face with a name for Springboro Relay. If you are interested, please get a picture or a few pictures to Kim Jackson and a paragraph about the type of cancer, diagnosis date, and anything you want people to know about this person. The book is on the outreach table in the foyer if you would like to see it. We will continue to add pages and pray for those and their families in the book. It will be on display for everyone at Springboro Relay for Life to view.

## Show Franklin We Care...

*Restock the bins in the Care Room*

Baskets of items collected during the Twelve Days of Christmas should be turned in to the Care Room today or next week.

Anyone can help fill a bin on an ongoing basis! Also, items needed are not limited to what is listed on the bins, as we always have someone in need of anything you would need for your home. Just bring it in & we will put it to use!
